✂ CUT OUT THE SQUARE

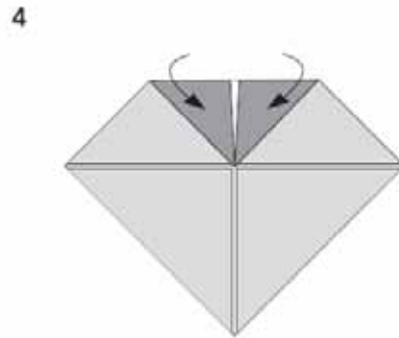

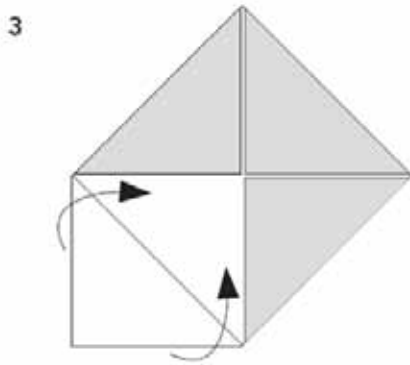

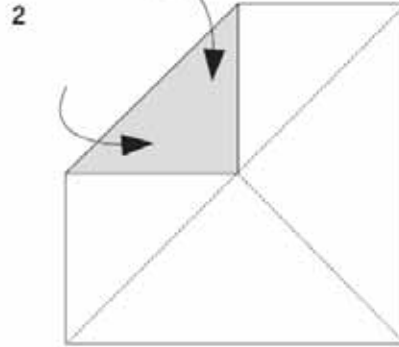

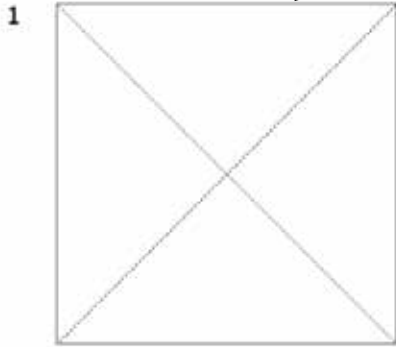

Print-It-Yourself Creativity-chooser

How to play...

1. With your fingers in the finger holes, spell your friends name (ie, Tom... open and close the chooser 3 times)
2. Next ask your friend to choose a number from the choices shown
3. Again, open and close the chooser as many times as the number chosen
4. Finally, ask your friend to choose another number
5. Open the flap of the chosen number to reveal your creative game choice!
